Celebrating Preanes Green

You may not remember, but on Tuesday 21st July it rained all day. That put paid to our plans to hold our celebration event outside, but nevertheless, we all got cosy in the resource centre and had a grand time.

The aim was to promote the activities organised by the Residents' Association and to invite others running services and events in the area to come along and meet local people.

We had lots of interesting and fun information about our activities - the Living Life to the Full group, over 50s' coffee club, youth group, the summer activities programme - and about opportunities to get involved with us through volunteering.

We were joined by friends from the Lynx Resource Centre (for people with autism), Crossroads Carers' Association, North Somerset Housing, Stonham Housing, and local councillors.

Others had sent along information for us to distribute - Arthritis Care, the Disablement Information and Advice Line, and NHS North Somerset.

So there was lots for people to learn about over a cup of coffee and a biscuit and everyone who came along went home a little older, wiser and wetter!

As you might imagine, the rain put a lot of people off, but we are very grateful to the Mayor of Weston and his wife for coming along to support us and for returning later for the end of the Open Meeting where we heard updates from the Police and North Somerset Housing.

Anyone who couldn't make it on the day is welcome to get in touch to find out more.
